VERY IMPORTANT PIECE OF ADVICE

Access to historical centre of Florence (ZTL) is prohibited and monitored by cameras everyday from 7.00 am to 7:30 pm, and on particular occasions also at night

Our hotel is outside ZTL. However, should you run into one of these cameras, when you get to the hotel, **don't forget to inform the front desk staff in order to have your fine waived**

Make sure you don't drive in the bus ways, because in that case we won't be able to help you avoid getting fined
